40th Anniversary - Melbourne 2014

The Committee would like to invite all members and their families to the extra special 2014 National Meet being held in Melbourne in October this year. Just in case you were not aware it is the 40th anniversary of the release of the Purvis Eureka.

Please join us and the man who made it all possible Allan Purvis when we meet in Melbourne and don't forget the Sat night dinner is Fancy Dress 70s style. Why the Seventies just look at all the pics of Allan when he sold the cars back then, Flairs, Big Collars, Floral Shirts, Big Shoes etc etc well you get the idea now. I think Allan still has all the gear so he just has to open the cupboard. Sorry Allan but it had to come out sooner or later.

On another note it is the AGM also that weekend, so have you ever given any thought if you have got something to offer the club we are always looking for members who can contribute to the club in some capacity either State or Nationally. We also have to look further into the future and choose another venue for 2017. I know this seems along way away but it helps organisers giving them plenty of time to suss things out.

2016 Adelaide. S.A. another Biggie as it marks 10 years current club history.

2017 ?????? Idea put out at Bathurst last year was Echuca so we need to decide.

See ya there.

PURVIS EUREKA

40th ANNIVERSARY

For those of you thinking of coming along to this years 40th anniversary, if you have any questions, please feel free to ask, [Allan Purvis](#) and he would only be too happy to answer any questions or concerns.

A brief outline of the weekend follows.

Accommodation: We will be staying at the **Bayview On The Park** right opposite the Albert Park Lake, a stones throw from the city. Friday will have a welcome dinner which will be held at the motel.

Saturday drive day: We will be driving to relevant historical places and seeing first hand where it all began and in the afternoon there will be time for the **Swapmeet**

Saturday Dinner: Will be held at **Pier 35** right on the waterfront in Port Melbourne. Remember to bring your 70's fancy dress or dust off that leisure suit or disco gear, the 70's are back! (transport for those not willing to drive will be provided).

Sunday: Continuing the theme of being in a 70's time warp, we will be displaying Eureka's at the **Motorclassica** event at the Melbourne Exhibition Building reminiscent of the 1974 Motor Show unveiling.

There are a couple of other things which will also take place, but we are keeping those up our sleeves and all will be revealed at the weekend of the meet. Its really is going to be an event you shouldn't miss and we want to see everyone there whether you have a Eureka or not.
